February 6, 2009

To: Family Economic Security (FES) Program
Potential RFP (SFY 2010) Proposers

From: Margie Guevin, TANF Program Officer
Human and Community Services Division

Subject: Page count for FES RFP

During the Proposer's Conference on February 5, 2009 a question was raised with regards to the total page limit allowed for proposals. We have decided to increase the page limit of the RFP proposals from 15 to 30 pages. We hope this will allow more freedom for inclusions to program proposals.

We have also been advised that it is appropriate to allow any of the potential proposers who have already submitted a letter of intent to revise their service area to include Gallatin County, as it was not covered in any letter of intent. If you are interested in providing services in Gallatin County, please submit a revised letter of intent to Margie Guevin at the below address by February 27, 2009:

Please contact Margie Guevin PO Box 202925 Helena, MT 59620-2925, (406) 444-0640, or by email to mguevin@mt.gov if you have any questions regarding this RFP.
